

Situated at the northern end of Mahé in the Seychelles, this stunning four bedroom villa is impeccably appointed with a unique blend of contemporary European and traditional Creole styles. Set within a private tropical garden with palm, frangipani and fruit trees the villa also offers an infinity swimming pool and sunbathing areas, with stunning views of Beau Vallon Bay and the Indian Ocean.

Petit Amour Villa has been specifically designed to offer guests the ultimate luxury 'home away from home' holiday experience, with personalised and discreet service.

With the help of a European interior designer and local artisans we have created a cool, calm sanctuary from where our guests can enjoy the many splendours our islands have to offer.
